School Principal Name	
School Principal Phone	
School Principal Email	
Scholarship Request	\$10 per student
Please indicate how you have or plan to raise the funds* for student registration. Add details that may help assess your special circumstances of need.	

It is the intent of BSSEF to encourage the participation of all students in the science fair and we do not want to exclude anyone because of inability to pay a registration fee. There are, however, costs to running a science fair and we hope the schools and students that participate can help defray those costs.

\* Suggested ways to raise funds are:

- Ask your school to pay the fee. Try your department head or school principal
- Participate in fund raising, ie: car wash, bake sale, rummage sale, etc.
- Request a student fee to cover student registration.
- Ask local merchant for sponsorship.
